

# Rochester Winter Track & Field 2008-09 Handbook

## INTRODUCTION

WELCOME to another season of Winter Track and Field in Section V. The Rochester Winter Track League continues to grow, with several new teams joining us this year. At the same time, we are trying to maintain the high standards of meets that we have had over the past few years, and we have attempted to respond to various requests made by you, the coaches. However, if we are to remain successful, if we are to remain viable, we need the help of ALL coaches and athletes. A few people can not, and should not be expected to do things alone.

We are trying several different things this year. First, all entries will be on line. This will be true for all meets. For weekend meets, entries are due on Thursday before the meet at 8:00 p.m. You will need to submit the name, event(s), level, and seeding performance for every athlete. Secondly, all qualifying performances performed at a RWTL meet will automatically be posted on the leader board. Thus, only meets outside of Section V will need to be posted by you, the coach. You will also notice that we have on some weekends, shorten time schedules. This was due to the fact that these were the hours given to us by the various facilities. Remember, we are guests of the various facilities, and thus we must conform (wherever possible) to their schedules.

We hope that this is a successful year for you and your athletes. If you have questions, feel free to ask. Good luck.

**NOTE: This Handbook may be updated. Any changes will be highlighted.**

## **RULES FOR THE 2008 – 2009 ROCHESTER WINTER TRACK SEASON**

**1. FOOTWEAR.** Absolutely no plastic bottom plated shoes may be worn. Shoes with a plastic plate may not be used. No metal spikes of any kind. Some shoes have slight areas of plastic in the arch, these may be used at all sites except New York Chiropractor. Athletes found using inappropriate footwear will be disqualified from the meet, and an unsportsmanlike conduct form will be sent to their school, meaning the athlete will be banned from the next meet, at a minimum. If you have a question, bring the shoe to a meet officer.

**2. LIMITS of PARTICIPATION.** In an effort to keep the teams running on schedule, there will be limitations on the number of events an athlete may do at a meet. If there are NO limitations, the maximum number of events an athlete may do is THREE (NYSPHSAA rule). For modified athletes, the maximum number of events is two. If one of those events is 1200 meters or longer, then that athlete may only do a field event for his/her other event.

**3. DIVISIONS.** In many events, we will run a Varsity, JV, and modified events for both boys and girls. Athletes should be placed in the proper division by their coach. In addition, if the meet is listed as VARSITY ONLY, do not bring your non-varsity athletes. Conversely, if the event is listed as Junior Varsity or Modified only, please do not run your Varsity athletes in that meet.

**4. ROSTERS and NUMBERS** Coaches will be submitting their roster on line at [www.yentiming.com](http://www.yentiming.com). Athletes will NOT be wearing numbers this year. For track events, athletes will need to look at the seed sheets, and put on the appropriate hip number for their race.

**5. LIMITS ON ENTRIES.** Unlimited entries for some League meets. At some meets, we will be limiting the meet to Varsity only, and at times, we will limit how many entries in an event a school may have. This will be on a sliding scale, which will be based on the size of teams, and whether the team is co-ed or single sex. In some sprint events, we may limit the number of athletes using starting blocks to the first 5 heats for boys and girls. For Hobart meets, if the size of the fields are large, we may run inside and outside sections of the race. At the conclusion of meets, we will check to see if any athlete competed in more events than he/she was allowed. If that is the case, all marks earned are null and void, and an athlete may be disqualified from the next two weeks.

**6. ON LINE ENTRY:** This year, all entries will be online. Entries for a weekend meet will be the Thursday before that meet, at 8:00 p.m. On-line entry will be "CLOSED" after 8pm. Entries received after that time will be seeded last. Once an athlete has been entered, he/she may not be scratched. ( You may scratch that athlete from the event(s) they are entered on the meet day, but that athlete may not be moved to another individual event).

**7. BLOCKS.** For meets at New York Chiropractor, blocks can not have any spikes in them.. For meets at Hobart, RIT, and University of Rochester, bring your own blocks, and these blocks may have 1/4" spikes in them.

**8. CROWD CONTROL AND CLEAN-UP.** Coaches are responsible for the conduct and whereabouts of their athletes during the meet. No team will be allowed to compete in any meet without a coach. Coaches should personally supervise the clean up of their teams after the meet. At Hobart, University of Rochester, and RIT, athletes are not to eat on the floor. Again, sanctions may be leveled against athletes and teams continuing to violate this policy. Coaches, if you see something wrong, please do not hesitate do get involved.

**9. ANNOUNCEMENTS.** So that the meet may run smoothly, and everyone might be able to hear announcements, NO BOOM BOXES or AUDIO PLAYERS are allowed without a headset.

**10. PITS.** Athletes may not use the high jump pits and pole vault pits for lounging areas. At all sites, when the event is over, these pits need to be stacked and put away neatly. ( if it is a double meet, the first group should set the pits up, the second group should put them away.)

**11. BUSES.** School buses must be parked in the proper areas. They can not be parked in fire lanes. At Hobart College, they are to follow the signs to drop off their athletes behind the field house. No bus will be allowed to drop students off at the front of the field house. Parking there is reserved to officials and spectators. Buses can not park on Wilson Blvd. at the University of Rochester. **At RIT, buses should enter lot D (by the track) and follow the directions of the RIT security personnel.**

**12. OLDFIELD STYLE.** For safety reasons, no Oldfield throwing of the shot at New York Chiropractor and Hobart field houses. Since the shot will be in a separate area at the University of Rochester, it may be done there. **It may also be done at RIT since there will be a cage.** Coaches are reminded to tell their athletes to stay away from the shot areas while the meet is in progress, no matter what technique is being used.

**13. ADMISSION CHARGE.** Admission charge at all Rochester Winter Track meets is \$3.00 for adults, and \$2.00 for students.

**14. CLERKING.** Clerking will be done at the starting line of each event. Unless otherwise noted, the order will be **Varsity, JV, and then Modified, Girls followed by Boys. This will be the same order for the field events.**

**15. CURFEW.** All League meets may run no later than 11:00 p.m. For meets with two or more sessions, we must complete the last event by the time indicated, so the next group can move in on schedule.

**16. CANCELLATIONS.** For meets that are held on school days, if there is a need to cancel a meet, the decision will be made by 1:00 p.m., with schools being contacted, if possible, by phone. **If you have a question, check [schedulesonline.com](http://schedulesonline.com), or the Rochester Winter Track website.** If a Saturday or holiday meet is cancelled, the coach, if possible, will be contacted at home by phone, as will television and radio stations. ( R-News has always posted our cancellations.) If you have any questions, contact Dave Hennessey (585-334-6323)

**17. ALL LEAGUE.** In order to receive an ALL LEAGUE Award, an athlete must have one of the best **six** times, distances, or heights in League sponsored meets. The fastest **three** relays will also be All League. Because of differences in facilities, a duplicate award(s) will be given in similar events if we have different bests (45/55m Dashes, 50/55m Hurdles) Athletes can not win two awards for similar events

**18. OFFICIATING.** While the League will hire some officials, schools are responsible to help out with officiating chores. If a school is willing to pay for three officials, please leave the vouchers with me, so that I can hire officials. If you plan on working the meets, let me know what days you wish to work.

**19. HOST SCHOOLS.** Schools will be assigned two hosting responsibilities. The jobs of the host school is as follows:

- 1. Bring the AED.**
- 2. Set up and take down vaulting and high jump pits**
- 3. Set up and take down the shot put area**
- 4. Set up, take down, and put away the hurdles**
- 5. Clean up facility before your team leaves.**
- 6. Help with the field events**
- 7. Underlined team is the head host school.**
- 8. Help the pole vault official check poles**
- 9. Guard the hip number box**
- 10. Help the clerk**

**20. POLE VAULT VERIFICATION SHEETS.** If an athlete is going to compete in the pole vault, he/she will need to have a pole vault verification sheet on file. **If I do not have a sheet, the athlete may not compete in the event.** These sheets need to be kept current, for any changes in an athletes weight and pole use. Periodic checks will be made during the season to make sure that these sheets are accurate. It is the responsibility of the coaches of the vaulters that they are properly trained for the event, and that they set up any additional pits or mats to provide safety for the athletes in the vault. **NEW: When entering a pole vaulter in a meet, you will be asked to submit the athlete's weight. This will be on the event sheet, to help the official in checking the vaulters and poles.**

**21. OPEN PIT.** For meets where both the long and triple jumps are being done, we will be using an open pit. All jumpers will be required to take their jumps in the time allotted, and if they do not, then their remaining jumps are forfeited. The official will tell the officials how much time the jumpers will have, and all jumpers will warm up at the same time. **In some meets, where both long and triple jumps are being contested, the top sixteen boys and the top sixteen girls will have three jumps, all others will have two.**

**22. Merging of teams:** According to the bylaws of the league, no school or schools will be allowed to merge teams. In the past, schools were allowed to merge, but all merged teams were dissolved in 1990.

**23. Special rules for the UNIVERSITY OF ROCHESTER.**

- a. All athletes must stay out of the Palestra. **55 will be the dash and hurdles distance at UR.**
- b. No food or gum in the floor of the field house. Water and sports' beverages may be consumed. There is new astro turf in the building, thus the rule. The U of R will be running a concession stand and have an area for athletes to eat.
- c. Please place garbage in the cans available.
- d. Doors into the field house may vary – check our website to see what doors will be used for each meet.
- e. Buses may not park on Wilson Blvd. They must park on Library Road

**24. Special Rules for ROCHESTER INSTITUTE OF TECHNOLOGY**

- A. Arrive at the time scheduled. If it says 6:00, then arrive at 6:00 – practices will be going on, so do not arrive early.**
- B. Buses should enter the D Parking lot, and follow the directions of RIT security.**
- C. All athletes and spectators go up the stairs into the main lobby.**
- D. Teams should set up their camps on the second floor, along the side with the long jump pit. The side by the finish line is reserved for spectators and coaches. Host schools should sit on the first floor in an area designated by RIT personnel.**
- E. NO FOOD OR BEVERAGES ON THE FLOOR. THIS INCLUDES WATER AND SPORTS DRINKS.**
- F. The Student Life Center is off limits. Bathrooms will be available, but locker rooms are off limits.**
- G. Don't block fire exits**
- H. Spectators may bring their own chairs.**
- I. RIT will run a concession stand, on the second floor.**

**25. SECTIONALS.** We will be having a **four** class sectional, with a meet of champions ( state qualifier) two weeks later. In order to compete in the Sectionals and State Qualifier, and athlete must compete in SIX different sanctioned high school meets. In addition, the athlete must meet the qualifying standard. Relay teams need to have run at least once during the season in order to have a valid entry mark. Hardship cases will be decided by the Section V Games committee.

There will be two kinds of qualifying standards. The automatic standard guarantees that an individual will be in the Sectional meet in that event if he/she meets this mark. A provisional standard will qualify if he/she meets a lesser standard, and there is room for that athlete in that event in the meet. If an athlete meets the standard, it is the responsibility of the COACH to submit that performance within two weeks of the mark being set, and the standards being issued. This years' standards are available in this book. For meets run by the RWTL, qualifying marks will automatically be posted. For out of Section meets, coaches must post their updated performances. These marks will also be used to determine ALL LEAGUE. No mark, no entry. Updated lists will be given out throughout the year, and appear on our web site. NEW: Prior to Sectionals (date TBA) Leaderboard performances will automatically be used for each entry.

26. At three meets, an athlete may choose to do the regular event or a different event. They may not do both. The time may not be converted, or used for All League status, it is there for a change, and a chance to set school and or Section V records (not for Sectional/State Q qualifying).

**27. STATE MEET.** Athletes qualifying for the State Meet will be leaving Penfield High School on Friday, March 6. The state meet, which is on Saturday, March 7 will be at Barton Hall at Cornell University. The boys' meet will start at 8:45, and the girls' meet will start at 1:30. When the boys are done, they will return home. In general, the top two finishers go to the states, and the winning relay will compete in the state meet. In addition, the 3<sup>rd</sup> place finisher in the 300, 600, 1000, 1500/1600 will compete in the Intersectional Medley Relay. If an athlete meets the following standards, and finishes third in the state qualifier, he/she will be allowed to compete at the state meet in their individual event. **If weather does not allow us to have a meet of champion, the sectional coordinator, with assistance, will select a team, based on performances made at league meets after January 1.**
