SEEDING PROCEDURE:

We will be doing the pre-meet seeding format. Once a registration form and entry/voucher is received we will be mailing to you a complete registration packet. This packet will contain seeding sheets on which you will list your top 2 athletes, relay members and their seeding time/distances. This will allow for better pre-organization of the meet and give spectators and athletes a program so they can better follow the meet.

The seeding forms must be by **email** (Jenglert@wccsk12.org) and will be accepted up to 3:00pm on Wednesday, April 30, 2008. The seeding sheets may be returned at an earlier time, but once again, **Wednesday, April 30, 2008 at 3:00pm is the absolute deadline.** Further information will be contained in the seeding packet.

Teams that fail to return the seeding sheets by the deadline will have their athletes placed below the lowest seeded times and distances.

At the coaches meeting, 9:00am Saturday morning, each team's coach will receive a program. At that time scratches will be allowed, but there will be no additions. Wayland-Cohocton reserves the right to re-seed if athletes are scratched.
